ORA Training and Development

- ORSA MAC
  -- mandatory for new ORA's
  -- accelerated promotion
  -- often graduate credit

- Greening – canceled indefinitely due to lack of funding (less training $ in FY05; went for university training)

- FA49 Qualification Course
  -- extremely beneficial
  -- practice briefing to non-technicals very useful
  -- contacts/networking
  -- see whole picture (how analysis done elsewhere)
  -- insight into what military does in solving problems/analyzing
  -- good for military to see civilian side of analysis
  -- useful to have more input on what AMSA does
